

**TOWN AND COUNTRY PLANNING ACT 1990  
TOWN AND COUNTRY PLANNING (TREES) REGULATIONS 1999**

**Tree Preservation Order: SOUTH KESTEVEN DISTRICT COUNCIL  
(STAMFORD – 49 CASTERTON ROAD)  
TREE PRESERVATION ORDER 2012**

On 26th April 2012 we made the above tree preservation order, and sent you a copy.

We have considered whether or not the order should be confirmed (or in other words, made permanent). On 22nd June 2012 the Council decided:

**To confirm the order.**

**The decision to confirm the order was made as the tree, given its prominence, makes a significant contribution to the public visual amenity and appearance of the area as it is easily visible from Casterton Road. Its loss would be of detriment to the character of the locality and be damaging to public visual amenity.**

If you wish to cut down, top or lop any of the trees described in the first schedule of the order and shown on the map enclosed with the order permission must be obtained from South Kesteven District Council before any work is carried out on the trees. [If you require help or information please contact the Council's Development Management Services, South Kesteven District Council, Council Offices, St Peter's Hill, Grantham, NG31 6PZ.]

If you disagree with our decision you can challenge it by applying to the High Court under sections 284 and 288 of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:

- (1) the order is not within the powers of the Town and Country Planning Act 1990;  
or
- (2) the requirements of the 1990 Act or Town and Country Planning (Trees) Regulations 1999 have not been met.

You must apply to the High Court within six weeks from the date of our decision.
